## New South Wales Branch

The NSW Branch of the ASC is planning to again host the annual Pre-exam Workshop this year on the 14<sup>th</sup>, 15<sup>th</sup> and 16<sup>th</sup> May. The Workshop will return to The University of Sydney, Blackburn Building, Department of Pathology, Level 5. The workshop encompasses a dynamic format of lectures, with each lecture followed by a microscopy and projection session.

We encourage anyone sitting the ASC exam this year to attend, or anyone wanting a refresher on all aspects of Cytology to consider participating in this worthwhile workshop. This workshop is ideal for Cytotechnologists, Registrars and Pathologists. The workshop offers flexibility so that participants can attend all three days of the workshop, or select the day that is most appropriate to their needs and pay for the one day only.

### FRIDAY 14th MAY:

09:00 - 10:30	Liver/Pancreas/Salivary Gland	Dr G Watson
10:30 - 11:00	Morning Tea	
11:00 - 11:30	Lymph node	Dr G Watson
