

17th International Congress of Cytology

16-20 May 2010, Edinburgh, Scotland

Under the theme of 'Learning from Each Other', the 17th International Congress of Cytology at the award-winning Edinburgh International Conference Centre will provide a unique opportunity to exchange experience and knowledge of contemporary practice and scientific advances in all branches of cytology and related disciplines from a variety of cultural and clinical environments.

Key note symposia include:

- HPV in cervical screening & the impact of HPV vaccination
- East meets West: practice in different healthcare environments
- Automation in cervical cytology
- Interventional & multidisciplinary cytology
- Errors in cytology & medico-legal issues
- Training in cytology
- Molecular cytology
- Diagnostic cytology

Plus numerous Microscopy Workshops, Proffered Paper Sessions, Guest lectures, IAC Award Lectures, Poster Display, Satellite & Sponsored Symposia and a dedicated Cytotechnologists' Day.

The exciting and innovative scientific programme will be supported by a full social programme and a range of hotel accommodation to suit all budgets has been reserved.

Key dates for your diary:

1 September 2009: Online abstract submission and registration opens at www.cytology2010.com

11 January 2010: Last date for abstract submission

28 February 2010: Early registration deadline

Further detailed information is available on the dedicated website www.cytology2010.com, which is continually updated, and specific enquiries can be directed to the conference organisers at:

Cytology 2010 Congress Secretariat

Meeting Makers, Jordanhill Campus
76 Southbrae Drive, Glasgow, UK, G13 1PP
